DEDICATION

The Class of 1963 is dedicating this edition of the "Aquila" to an individual, who is a sincere friend, a devoted parent, and an excellent teacher.

She has given many hours of her time to help individuals on both the elementary and secondary levels. She is a true friend of all children on the playground as well as in the classroom.

She has served as a teacher in the Attica Schools for the past twelve years.

She has been a faithful volunteer for many school, community, and church organizations.

To show our appreciation for her untiring efforts, we dedicate this edition of the annual to MRS. VIOLET GURNEY.
